Just click on the  icon to see the items in your cart.

Once you've added all the items you would like to pay for in your cart, you can click View Cart to begin the checkout process.

On the Checkout screen below, if you are a Member Company you can enter your discount code in the section below "Enter a promo code" that your company representative (who renewed your SEHOA Membership) should be able to provide you.

Or you can add the promo code when you've clicked on Checkout and advance to the screen as shown below...
